CAD CUT VINYL TRANSFERS

SUBLIMATION PRINTING

Sublimation printing is a dye process that only works on 100% polyester shirt material. All "white" values will be the shirt color, so very light colors and whites give the best results.

Additional services:

- Numbers on shirts, \$5.00 each
- Individual names on shirts, \$7.00 each
- Individual names & number on shirts \$12.00

Minimum \$30 per order
